

THINK ABOUT IT: Help each other

You already know how important it is for us to help each other and to look after the environment, but did you know that other living things help each other too?

Look at the pictures and guess how the living things work together. Use the key words to help you.

- ox
- oxpecker
- eat
- clean
- insects

- shark
- pilot fish
- parasites
- protection

- Blackbird
- Eat
- Seed
- Tree
- Plant reproduction

ACTIVITIES

1. Write sentences about how these animals work together. Use the key words to help you.

2. How do bees help plants reproduce? Search for the information on the internet, then present your ideas.
